

Mrs. Vasaly, Superintendent
Sept 3/22

5148

Dear Sir:

I have not
written before, I wanted
to see how things went
first

I've been working on
the farm. And I would
rather be at home with
Mother. She is alone
and would like to have
me at home with her
at nights.

She wishes me to work
in town so I can

2

be some with her at
nights.

My wages are small
if I could get more or
higher wages in town.

Would Mrs Vasaly kindly
permit me to work in
town.

I would like to get
some kind of work were
I could earn something
I also wish to take
a course at night school
I cannot do that at the
place I am now at.

3

I have a poor aducation
And I know I need it
Mr. Vasaly please con-
sider and give me a
permit to change work.
