West Duluth, Minnesot.a.**

Dear Sir:

Referring to your letter of September 3rd.
If it is satisfactory to your present employer and you
can get a job in Duluth where you can be with your mother,
it will be necessary, before you make a change, for your
new employer to write me a letter stating he is willing
to employ you under the rules of your parole. If satis-
factory, permission, no doubt, will be granted for you
to make the change, but do not make any change unless you
have permission from the superintendent or this office.

Very truly yours,

State Parole Agent.
