Just a line to
let you know how I found everything
here in Duluth I got here a 9 o'clock
Saturday night and went to where
I will make my home at 2604 West
3rd St. and I called up my folks
at Bennett and My Mother and
son came down to Duluth to
see me and went back to Bennett to
day and they told me that the snow
is so bad in the country that my
brother can't bring up my truck
up to Duluth for about 2 or 3 weeks

Louis Dondino: Case No. 6614.

Case Files. 1921-1923.

Letter from Louis Dondino to Frank A. Whittier, March 21, 1922.

so I will be out looking for a job to morrow
I was down to West Duluth this after noon and
they were sure glad to see me and Mr Bishop
at the N. P. told me as soon as I get my
truck back that I could have the mail to
transfer the same as I had before. I think
that the work will pick up in a couple of weeks
Will Mr Whittier I think that this will be
all for this time hoping that this will
be satisfactory to all - thanking you for what
you have already done for me
