State Board of Parole,

Dear Sir:-

Regarding the attached I saw Judge L S Nelson
on March 27th and he recommends parole or pardon for
Max Mason-6785. Says he is rather doubtful if there
was ever a crime committed but a jury passed on the
case and there was enough testimony to support their
verdict, so he could not allow a new trial. Judge
Nelson said he would put his recommendation in writ-
ing and mail it to you.

Respectfully yours,
